

Sagar Ulli

Java Backend Developer

sagarulli5@gmail.com | 7204870755 | Bengaluru, India | github.com/SagarUlli

SUMMARY

Java Backend Developer with experience building RESTful APIs, payment integrations, and backend services using Java, Spring Boot, and MySQL. Strong foundation in OOP, MVC architecture, and microservices fundamentals. Seeking backend roles focused on building scalable and maintainable systems.

SKILLS

Languages

Java, SQL

Frameworks

Spring Boot, Spring MVC, Spring Data JPA, Hibernate

API Development

RESTful APIs, API Design, Request Validation, Swagger / OpenAPI

Databases

MySQL, JDBC

Tools

Git, GitHub, Postman, JUnit 5, Mockito

Concepts

DTO Pattern, Exception Handling, Webhooks, MVC Architecture, Microservices Fundamentals, REST API Design, Layered Architecture, SOLID Principles, Unit Testing (Mocking, AAA Pattern)

INTERNSHIP

Java Developer Trainee, HulkHire Tech | Remote | Aug 2025 – Oct 2025

- Designed a modular microservices architecture with validation, processing, and payment workflow services.
- Built a Stripe-based payment processing system using Spring Boot, handling request validation, transaction processing, and webhook-driven status updates.
- Implemented secure webhook validation, asynchronous event handling, and real-time transaction status updates.
- Developed REST APIs, tested using Postman, and documented endpoints with Swagger.
- Used MySQL for transaction persistence and service coordination.

PROJECTS

JSPGram - Social Media Backend System

Tech: Spring Boot, MySQL, REST APIs

- Designed RESTful APIs using Spring Boot following MVC layered architecture.
- Implemented email OTP authentication, user profile management, and media uploads using Cloudinary.
- Developed post CRUD functionality and a followers/ following system for personalized feeds.
- Integrated Razorpay payment gateway to support premium memberships.
- Built the application backend using Spring Boot with database persistence via MySQL.

EDUCATION

Bachelor of Engineering (Computer Science), Atria Institute Of Technology

2020 – 2024

CGPA: 7.5/10

CERTIFICATES

- Java Full Stack Development
- Java Developer Trainee
